ORDINANCE NO. 139

AN ORDINANCE GRANTING TO UNITED GAS PIPE LINE COMPANY, ITS SUCCESSORS AND ASSIGNS, THE RIGHT AND FRANCHISE TO CONSTRUCT, LAY, MAINTAIN, CHANGE THE SIZE OF, OPERATE, USE, REMOVE, REPAIR AND REPAIR PIPE LINES, TOGETHER WITH ANY AND ALL EQUIPMENT AND APPURTENANCES IN CONNECTION THEREWITH, OVER, THROUGH, UNDER, AROUND AND ACROSS ULMAN AVENUE IN THE CITY OF BAY ST. LOUIS, MISSISSIPPI, FOR THE PURPOSE OF TRANSPORTING GAS (NATURAL AND/OR MIXED); FIXING THE COMPENSATION TO BE PAID THEREFOR; AND FIXING THE TIME WHEN THIS ORDINANCE SHALL BE EFFECTIVE.

WHEREAS, United Gas Pipe Line Company has found and determined that that portion of its existing high pressure gas pipe line supplying the gas distribution system of the City of Bay St. Louis, Mississippi, extending from a point on said Company's existing pipe line at or near the Northwest intersection of Front Street and Ulman Avenue, which point is located on the North side of Ulman Avenue, to a point on the North side of Ulman Avenue in the City of Bay St. Louis, Mississippi, southerly to a point between the South sidewalk and the South curb on Ulman Avenue and thence extending westerly along Ulman Avenue between the South sidewalk and the South curb of said Ulman Avenue for a distance of seven hundred and thirty-three (733) feet, has deteriorated to such an extent that the same should be replaced and that such replacement should be made with a 6.5-8" (O. D.) pipe line; and

WHEREAS, United Gas Pipe Line Company has found that it is not feasible to replace the aforesaid portion of said pipe line in its present location because of the presence of a gas distribution line, a water line, and a storm sewer line, all owned by the City of Bay St. Louis, and that it is necessary and desirable that the aforesaid portion of its pipe line be replaced with a 6.5-8" (O. D.) pipe line and relocated along the North side of Ulman Avenue between the North sidewalk and the North curb of said Ulman Avenue from a point in said Company's existing pipe line at or near the Northwest intersection of Front Street and Ulman Avenue westerly for a distance of approximately sixteen hundred and ninety-one (1691) feet, and thence southerly across Ulman Avenue for a distance of fifty-two and one half (52½) feet to a point on said Company's existing pipe line, which point is three (3) feet upstream from the river to said Company's measuring station; and

WHEREAS, the Mayor and Commissioners of the City of Bay St. Louis find and adjudge that the proposed relocation and replacement of said gas transmission pipe line will protect and safeguard the supply of natural gas for the municipal gas distribution system of the City of Bay St. Louis and that it would be to the best interest of the municipality and the inhabitants thereof for a franchise to be granted to United Gas Pipe Line Company to replace and relocate the facilities above described, upon the terms and conditions hereinafter set out, and find and adjudge that the sum of Twenty Five Dollars (\$25.00) is a reasonable compensation and consideration for such franchise;

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND COMMISSIONERS OF THE CITY OF BAY ST. LOUIS, HANCOCK COUNTY, MISSISSIPPI, lawfully assembled in regular public meeting:

SECTION 1. That the City of Bay St. Louis, Mississippi, does hereby grant unto United Gas Pipe Line Company, a Delaware corporation, its successors and/or assigns, the right and franchise to construct, lay, maintain, change the size of, operate, use, remove, replace, relocate, and repair pipe lines, together with any and all equipment and appurtenances there-to, including, but not by way of limitation, telephone, telegraph and electric lines, conduits, poles, transformers, and regulators in connection with said pipe lines over, through, under, along and across Ulman Avenue in the City of Bay St. Louis, Mississippi, as follows, to wit: along the North side of Ulman Avenue between the North sidewalk and the North curb of said Ulman Avenue from a point in said Company's existing pipe line at or near the Northwest intersection of Front Street and Ulman Avenue westerly for a distance of approximately sixteen hundred and ninety-one (1691) feet, and thence southerly across Ulman Avenue for a distance of fifty-two and one half (52½) feet to a point on said Company's existing pipe line, which point is three (3) feet upstream from the river to said Company's measuring station; and

Lakeshore Notes

By Mrs. Malcolm B. Green
Relatives and friends of Clarence J. Green of Ansley were shocked to learn of his passing last Friday morning at King's Daughters Hospital. Mr. Green became ill Thursday Nov. 1 at 2 p.m. while at work at the Lakeshore Pulpwood Yard. Dr. Erhardt was summoned and after receiving emergency treatment, Mr. Green was taken to the Hospital by Mrs. Green and her sister Mrs. Ray Skinner.

Death came at 4 a.m. and was attributed to a heart attack. Mr. Green was 50 years of age, son of the late Oscar Green and Assian Morris. He is survived by his widow, Mrs. Leona Schwartz Green, four sons, Oscar of South Carolina, Norman of Oregon, Clarence Ray and Allen J. of Ansley and a stepson Ronald McLaughlin, two daughters, Mrs. Zane Wilkenson of Oregon and Mrs. Harold Bashem of Oklahoma; two sisters, Mrs. Jake Morrill of Bay St. Louis and Mrs. Irene White of Gulfport, and six grandchildren.

The funeral was under the direction of McDonald's of Baycune with religious services from the Lakeshore Methodist Church and interment in Lakeshore cemetery.

Funeral bearers were Lester LaFrance, Malcolm Green, Arvine Garcia, Jacob Schwartz, Leroy Garcia and Manny Schwartz.

The sympathy of our entire community is extended to Mr. Green's family in their hour of sorrow.

Leroy Garcia of Metairie spent the week end with his mother, Mrs. Viola Garcia.

Little Carl Green left Monday with his sister, Mrs. Harold Bashem for a visit in Oklahoma before joining his father, Norman Green in Oregon. Carl had made his home with his late grandfather, Clarence Green in Ansley.

Among the many from New Orleans and other points who came over for the Green funeral were, Mrs. Daisy Colon, Mrs. Ruth Pavre, Mr. and Mrs. Jacob Schwartz and daughter, Mr. and Mrs. Victor Schwartz, Mrs. Camilla Gill, Mr. and Mrs. August Usher and many others.

Rocks, Tigs (Home-coming) In Final Settos Tonight, Sat.

Bay St. Louis gridiron fanatics will be presented with a 7-7, midway the opening canto double-layer cake in celebrating the closing of 1956 football campaigns for St. Stanislaus and Bay High.

Tonight the Rockchaws, of St. Stanislaus draw the curtain on a very successful year in a battle with the McGill Yellow Jackets of Mobile, and Saturday night the Bay High Tigers celebrate home-coming by entertaining the Carriere Blue Devils in a DeSoto conference closer.

Perkinston AHS Bulldogs and Ocean Springs Greyhounds have already turned their sports thoughts to the hardwood court, and Our Lady of Victories of Pascagoula will follow suit tonight.

Mississippi Gulf Coast's prep menu features:

Thursday: O. L. V. (1-4) at d'Iberville (3-4) in a Gulf Coast conference battle.

Friday: McGill of Mobile (5-1) at St. Stanislaus (Bay St. Louis) Long Beach (7-1) at Wiggins; Notre Dame "B" team at Vancleave (3-5) and Pass Christian (6-1) at Notre Dame (Biloxi) (3-4).

A 70-yard Rockchaw march, highlighted by a 31-yard aerial play from Kenny Aragues to Wayne Theriot, was climaxed by Willie Rhodes' 15-yard center. The score was Rhodes' tenth touchdown and placed the halfback second in the coast's scoring derby.

A scrappy Bay High Tiger squad was flattened by Purvis whirling Tornadoes and conceded a DeSoto conference victory, 28-20, Friday night at Purvis.

Red Mangum's Tornadoes, now vying with Waynesboro for the chance for a playoff tilt with Brooklyn—undefeated in nine league plays in the 13-team loop—chalked 7-pointers in each period, with halfbacks Plyant and Taylor leading the attacks.

Querten Couevas' alertness on spotting a loose pigskin on Biloxi's 15 yard line and pouncing on the ball set St. Stanislaus' second TD up, which was completed by Mitchell Decuir's one-yard plunge six plays later. The point-after touchdown failed, and the Tornadoes led, 13-12.

Another Biloxi scoring march in the fading minutes of the

The Tigers tied the contest game provided the extra-seven point margin.

A poor punt in the last moments of the Pass Christian-Perkinston AHS battle set the Pirate crew up inside Perkinston's 30-yard stripe, and a quick drive was climaxed by Pete Stogenga's six-yard aerial to Gene Wescovich. Fred Scarborough crashed across the goal line with an extra point that spelled victory 7-0 victory for Pass Christian, and closed a winless season for the Bulldogs.

While the coast squad's encounters have had over 2,000 points flicker by, Long Beach's Jerry Daniels, has accounted for 127 of them.

With his three touchdowns Friday night, the Bearcats had an easier chore in turning back the O. L. V. Eagles, 40-0 in a Gulf Coast conference battle. Daniel's teammate, George Dewey, was held pointless, but still ranks among the coast's top eight scorers.

Other DeSoto and Gulf Coast conference scores are—d'Iberville 19 Vancleave 6; Brooklynn 14 Waynesboro 0; Poplarville 19 Lucedale 0; Wiggins 14 Eatonville 0.

The benediction was given by the Rev. Charles R. Johnson, rector of Christ Episcopal Church.
